

Appliance Serial Numbers

For warranty service on an appliance, contact the appropriate manufacturer directly at the service number provided in the appliance literature. You will need to supply the model and serial number (usually located on a small metal plate or seal attached to the appliance in an inconspicuous location), and the date of purchase (your closing date, if you are the original owner of the home). For your reference and future use we have provided this reference chart **for you to complete and maintain**. This should also be provided to any future owner of your home.
